The bridge was strategically built by Ghana's first president to serve as a link to Ghana in order to attract votes from the then Trans Volta Togoland (now the Volta Region) to be part of Ghana.

Depart for a drive to the foot of **Afadjato mountain** which is approximately 885m above sea level (2905ft). We shall climb to the highest peak in Ghana, without climbing gear. You will be rewarded with spectacular views of the savannah and vegetation for miles and miles. Drive to Ho overnight.

DAY 2: WLI WATERFALLS & FRIENDLY MONKEYS - ACCRA

Breakfast will be served at your hotel. Early morning departure for **Wli Waterfalls**. Enjoy a hike through lush greenery of the **Agumatsa Forest Reserve** where you will cross the same river eleven times to reach the breathtaking falls. Continue on to **Tafi Atome**, a village that has practiced conservation as a culture by keeping their **monkeys** sacred. You will have the rare and exciting experience of witnessing these endangered animals in large numbers as they live in perfect harmony with the local people. You will be able to watch in awe as the monkeys playfully grab bananas and scamper back into the forest. Depart for the drive back to Accra after your exciting eco adventure.
